Recommendations:

- Chairmen, if you haven't scheduled your first Committee meeting for the year, please do so, and please include me.
- Plan activities calendars, and update your distribution lists to reflect changes in officers for the 2020 administration...we break for the summer after the June chapter meeting! Appoint recorders at your meetings, and take the roll—you are collecting important data!
- Use the Calendly link found in the Members Only Section of our official website, in the "Basileus Corner," and follow the suggestions for uploading your meeting dates (with dial in information, please), if there is a possible conflict.
- Need to hear from the following Committees: Centennial, EAF, Program, CARES, Central State, Ways and Means. Remember: A written report must first be presented to the Executive Board, before your Committee can present information at the Regular Chapter meeting.
