Recommendations:

Chairmen, please schedule your Committee meetings, and please include me.

- Plan activities, calendars, and update your distribution lists to reflect changes in officers for the 2020 administration. Appoint recorders at each meeting, and call the roll—the Membership and Nominating Committees look at meeting attendance, when considering eligibility requirements.
- Officers/Chairmen, if we haven't had our F2F Zoom meeting, Use the Calendly link found in the Members Only Section of our official website, in the "Basileus Corner," and follow the suggestions for uploading your appointment and Committee meeting dates (with dial in information, please), if there is a possible conflict. Make sure to include call in # and access codes.
- Need to hear from the following Committees: Protocol, Strategic Planning, EAF,. Remember: A written report must first be presented to the Executive Board, before your Committee can present information at the Regular Chapter meeting.
